

2018 – Lots to come

Good afternoon CycleKnutsford members,

There are a lot of exciting up and coming events with regard to cycling in the area this spring so we wanted to keep you up to date with them:

The launch of the 'Revolution'

(A circular 6 mile ride around the quiet roads of Knutsford itself). We would like to get as many people as possible to regularly cycle this new route so that we can approach the Town Council and potentially get some real cycle infrastructure implemented within our town. We also would like your feedback about this new exciting route.

Date: **Easter Monday, 2nd April**. See the attachment for more information. Contact me to sign up for the launch of this unique 'Revolution' ride - don't miss out; be there at the start of something BIG!

The Cheshire Dash

A 200 mile sponsored bike ride through Cheshire with all money raised going to an exceptionally good cause – Duchenne Muscular Dystrophy Research.

Date **7th - 8th July**, see the attachment for further details

and finally –

Under the Education and Inspections Act 1996, the council has a legal duty to publish a 'Sustainable Modes of Travel to School' (SMOTS) Strategy. The **SMOTS** consultation **closes on 29th March** - please read and fill in the questionnaire

<https://surveys.cheshireeast.gov.uk/s/SMOTStrategyConsultation/>

If you do read this and fill it in we would be grateful if you could send us a quick email to let us know that you have done this, thank you.

We have it from a good source that things are going to happen in our town with regard to cycling in the next few years and we really hope that you will be able to show your support to encourage cycling within our community by supporting our main event the launch of the '**Revolution**'

All the best

Su Russell
