

2018 – The Revolution: Additional Ride Dates...

....

The Revolution – More rides for 2018!

June to October 2018

After the highly successful launch of the “Revolution” ride around Knutsford, the route has been tweaked and by popular request we have arranged monthly rides around the route which will be led by a member of the CycleKnutsford Committee. The dates are:

Sunday 17th June - 4pm

Sunday 29th July - 4pm

Monday 27th August - 4pm – Bank Holiday

Sunday 23rd September - 4pm

Sunday 21st October - 4pm

Each ride will begin outside Bexton Primary School on Blackhill Lane – whatever the weather! You can join or leave the ride anywhere along its route to suit your own needs.

The 5th Knutsford Scout will also be doing the ride on three evenings in June as part of their cycle training and proficiency.

Ongoing discussions are taking place with Knutsford Town Council to try to get permanent signs installed (much like the Lauren’s Ride ones to be seen around the North Cheshire area). In the short term, we will re-install the temporary signs before each ride. Copies of the map will also be available on the day and are available to print off on the CycleKnutsford website. National Bike Week

10th – 18th June 2018.

To celebrate this event and further encourage local cycling, I am planning to lead daily Breakfast, Buddy and Revolution cycle rides around the or, for the more adventurous, rides on the Knutsford Loop rides aim to use the quieter country roads centred on Knutsford to enjoy a longer, countryside ride. If you are interested please contact me initially by email at chairman@cycleknutsford.org.uk

I will be happy to accompany anyone who wishes to take up the challenge of cycling to work, school or just locally for the first time during this week. Contact me as above.

Cycle Knutsford AGM

Thursday 22nd November 2018.

Our AGM will be held at the Angel Hotel on King Street Knutsford starting at 7:00pm. A short AGM with updates on our activities during the year will be followed by an entertaining evening with two speakers on topics related to cycling.

All the best - happy cycling!
